

Cherry Creek Dermatology Joins Epiphany Dermatology

Partnership improves access to great dermatologic care

Austin, Texas — July 16, 2018 — Epiphany Dermatology, a leading dermatology company committed to improving access to exceptional dermatologic care, announced today it has expanded into Colorado through its acquisition of Cherry Creek Dermatology. Epiphany Dermatology is comprised of leading dermatologists committed to improving access to exceptional dermatologic care, with clinics in Arizona, Iowa, Missouri, New Mexico, Oklahoma, Texas, and now Colorado.

Founded in 1988 by J. Michael Maloney, MD, Cherry Creek Dermatology has a long-established reputation providing high quality dermatology services to patients in the greater Denver area. Through this acquisition, Cherry Creek's dedicated providers and support staff have joined Epiphany in a partnership grounded in exceptional patient care.

Dr. Maloney, a board-certified dermatologist who earned his medical degree and completed his dermatology residency at Tulane University School of Medicine, commented, "My staff and I are excited to join the Epiphany team. Epiphany's values and culture align nicely with Cherry Creek Dermatology. By forming a partnership with Epiphany, we will expand our ability to provide for the dermatologic needs of our community. Epiphany has the infrastructure and expertise to help us manage the burdens of running the practice, which allows us to focus on taking care of our patients and serving the community."

Gheorghe Pusta, Chief Executive Officer of Epiphany, said, "We are pleased to welcome Dr. Maloney and his team of caring professionals from Cherry Creek Dermatology to Epiphany Dermatology. Dr. Maloney and his team are as committed as we are to delivering clinical excellence in a caring, collaborative, and common-sense environment. Cherry Creek is an exciting opportunity to expand our provider network and improve access to great dermatologic care in the Colorado market."

Through this partnership, Cherry Creek's providers and staff gain additional resources to help with operations, managed care, marketing, compliance, human resources, recruiting, IT, and many other support services.
