

## Sun City Dermatology Joins Epiphany Dermatology

*Partnership improves access to great dermatologic care*

Austin, Texas — August 28, 2018 — Epiphany Dermatology, a leading dermatology company committed to improving access to exceptional dermatologic care, announced today it has expanded its presence in El Paso, Texas through its partnership with Sun City Dermatology, P.A. Founded in 2006 by Adrian Guevara, MD, Sun City Dermatology is a six-provider team that has a long-established reputation of providing high quality dermatology services to patients in the greater El Paso area.

The Sun City Dermatology team is led by both Dr. Guevara and Dr. Brett Ozanich. An El Paso native, Dr. Guevara is a board-certified dermatologist who earned his medical degree at the University of Texas Health Sciences Center at San Antonio and completed his residency at the University of Oklahoma Health Sciences Center. Dr. Ozanich is also a board-certified dermatologist who trained at the Kansas City University of Medicine and completed his dermatology residency at the San Antonio Uniformed Services Health Education Consortium.

Dr. Guevara commented, “My staff and I are excited to join Epiphany. I picked Epiphany over several other companies because of several factors. First, they have been committed to the El Paso and Las Cruces market for over two years, and with high patient satisfaction. They have invested significant resources into supporting existing offices. This has allowed the practices to expand their insurance base, a critical factor in this region for patients to afford timely, specialized care for their skin. Another factor is that Epiphany is focused on maintaining high standards of care company-wide, so that the dermatological care is excellent at all of their locations.”

Gheorghe Pusta, Chief Executive Officer of Epiphany, said, “We are thrilled to have Dr. Guevara and the exceptional team of caring professionals from Sun City Dermatology join Epiphany on our quest to build a special company. Through our interactions with Dr. Guevara, we were pleased to learn he is as committed as we are to delivering clinical excellence in his hometown of El Paso. Sun City is an exciting opportunity to expand our provider network and improve access to great dermatologic care in the El Paso market. Furthermore, we are delighted to see Dr. Guevara continue his leadership as Epiphany’s El Paso Market Medical Director.”

Through this partnership, Sun City Dermatology’s providers and staff gain additional resources to help with operations, managed care, marketing, compliance, human resources, recruiting, IT, and many other support services.
